

TYDEEP Hotel Supplies Company

2021 Catalog Version

TRYDEEP COMPANY HISTORY

Industry 1.0

1995

Our partner factory was established in Shantou, Guangdong, China. At the beginning, we mainly produced soap.

1998

Develop some kinds of transparent soap.

2004

Investment in sterile liquid production lines, including detergents, skin care, etc.

Industry 2.0

2006

Changed to import and export company, and the products were successfully sold to Europe, America, the Middle East and other countries.

2008

Import Taiwan's six-color, eight-color hose line and automatic dual-mode blowing machine. Established a Hong Kong branch and sold its products to Hong Kong and Macao.

2010

Investment in the production of star hotel disposable supplies supporting equipment (Note: toothbrush, comb, matching silk screen, automatic UV printing, carton printing machine), won the GMPC standard workshop and ISO22716 international certification.

Industry 3.0

2013

Join hands with world-class brands (Beauval Biotech Co., Ltd. and ROOM PLUS (UK)) to launch ROSSLYN, AQUA ESSENCE, ROOM PLUS hotel room toiletries.

2015

Join hands with the four major brands to establish overseas marketing networks in 8 countries and regions, and unite more than 50 partners across the country to join forces to create a better future!

2018.

Establish TRYDEEP[®] HOTEL SUPPLIES Company In Shenzhen, Guangdong, China.

Soap Manufacturing

Our factory partner owns advanced automatic equipment. Production capacity and product quality have been improved drastically since we brought in advanced technology from overseas. From the material preparation, stirring, regrinding, vacuum forming, printing, 48-hour dehumidification, quality control, packaging. We concentrate on every detail and every procedure. The workshop has 12 machines which are able to make all kinds of soaps and the daily output capacity can reach 500,000 PCS.
